14<sup>th</sup> March 2022

**Fuel Surcharge**

With the current conflict in Ukraine, causing uncertainty in the economic markets, the world is seeing unprecedented hikes in oil/fuel prices. ACCS has reviewed the situation and feel there is no other option but to introduce a fuel surcharge of 8 % to all collection and deliveries effective 14th March 2022.

We believe this is a critical situation in these demanding times and will continue to monitor the situation.

Thank you in advance for your cooperation and continued support. If you have any questions, please do not hesitate to contact us.
